

Company info

Kid's Academy is an educational technology company based in Holmdel, NJ. Founded in 2012, the company unites most talented specialists with various professional backgrounds in order to design, develop and market educational applications and related content for preschool children.

Application info

Name: Montessori Worksheets for Kids HD: Traceable ABC Letters

Description:

Learning to write has never been more fun! With Montessori Worksheets for Kids HD your kids will not only learn to write letters, but will also develop good handwriting habits! The app turns the learning process into what kids love most - a game!

★★★★FEATURES★★★★

- A proven multisensory approach teaches children to write uppercase and lowercase letters
- Kids are encouraged and praised at every stage of the learning process
- Dotted lines and arrows guide kids through the letter tracing process
- 2 levels of difficulty
 - tracing a letter with hints
 - writing a letter independently
- Kids build their skills progressively, from tracing to writing, at their own pace
- Positive reinforcement through use of audio and visual cues
- Kids learn age-appropriate vocabulary and the ways each letter can sound in a word
- Kids get stars for their performance:
 - 3 stars - for successful task accomplishment at first or second attempt
 - 2 stars – if they had 3 or 4 goes at tracing and writing
 - 1 star – if they had more than 5 tries
- Clean graphics

- Soft and encouraging voice over
- Progress Chart with a possibility to create and edit multiple profiles
- Clear voice instructions

Enjoy watching your kid get more and more confident at writing while having loads of fun on the way!
