

# En Passant: Writing it Down

To write down an en passant capture write the start and end squares of the capturing pawn and put an "x" between them.

**d5xe6**

The black pawn on **f4** is going to capture the white pawn en passant. Check the correct notation of the capture.

**f4-e3**

**f4-e4**

**f4xe4**

**f4xe3**
