

Solution Matching: Hobbies

(Part 1)

Check the number sentence that matches each word problem.

Jill and Brian like to read. Jill had 18 books. She gave Brian 9 books. How many books did Jill have left?

$18+9=27$

$18-9=9$

$9-18=9$

$9+10=19$

Nancy and Denis collect stamps. Denis collected 14 stamps, and Nancy collected 4 stamps more. How many stamps did Nancy collect?

$14-4=10$

$14+4=18$

$10+4=14$

$4-14=18$
