

How to Draw a House

Read the directions.

- 1 Draw a big square at the bottom of your paper.
- 2 Add a triangle on top of it. This is the roof.
- 3 Draw two small squares in the big square. These are windows.
- 4 Add a door by drawing a small rectangle under the small squares.
- 5 Add flowers, people, a sky, or anything else!

Read the questions. Check the correct answers.

Which step explains how to draw windows?

2 3 4

When do you add the door?

2 3 4

When do you add the roof?
