

How to Use an Index

A book index is a list of words with page numbers.
It helps you find information in a book.

babies.....8 ← page number

Read the questions below and circle the correct numbers.

1 Which pages tell you what sea lions eat?

3-4

7

8

2 Which page tells you where sea lions live?

1

3-4

7

3 Which page tells you about baby sea lions?

1

7

8
