

# Opposites on the Farm

**Opposites** are two things that are way different from each other. Match the opposites that you see by drawing a line to connect them.

**old**      **young**      **soft**      **hard**

**big**      **open**      **happy**

**happy**      **sad**

**close**      **soft**      **little**      **big**

**open**      **close**
