

ROUNDING A HEALTHY DIET:

SUGAR AWARENESS

Help these kids make healthy choices by reading the nutrition information and rounding the amount of sugar in each of these popular dessert foods to the nearest 10. **Remember to pay attention to the number in the ones column to know whether to round down or round up.** Check the box next to the correct answer.

DESSERT FOOD TYPE	GRAMS OF SUGAR	ROUNDED CHOICES	
 ICE CREAM	21 GRAMS	<input type="checkbox"/> 20	<input type="checkbox"/> 30
 POPSICLE	8 GRAMS	<input type="checkbox"/> 0	<input type="checkbox"/> 10
 APPLE PIE	18 GRAMS	<input type="checkbox"/> 10	<input type="checkbox"/> 20
