

Is it a Light Source?

Trace the dotted line to tell whether it is a light source or not.

light source

not a light source

The worksheet contains seven rows of items for classification. Each row has a central illustration and two dotted lines with arrows pointing outwards, one to the left and one to the right, for tracing. The items are: a colorful rug, a lit candle, a desk lamp, a lightning bolt, a baseball, three ice cubes, and the sun.
