

# Man-made or Natural?

Is it natural or man-made?

Trace on a dotted line from each picture to the correct answer.

Worksheet for identifying natural or man-made objects. The page features two vertical banners: a light blue banner on the left with the word "natural" written vertically, and a light yellow banner on the right with the words "man-made" written vertically. In the center, there are six illustrations of objects, each with a horizontal dotted line and arrows pointing to both banners. The objects are: a glass of water, a potted plant, a goldfish in a bowl, a purple plate, an open book, and a rock.
