

CREATING A LAW

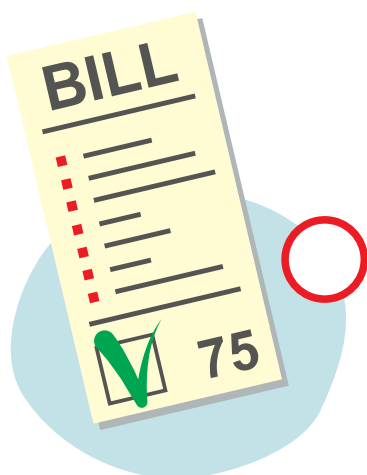

Before a law becomes a law it is called a bill. It must go through several steps before the bill can become a law.

Draw a line through the circles next to the pictures to put the stages of making a law in order. Start at the red dot.

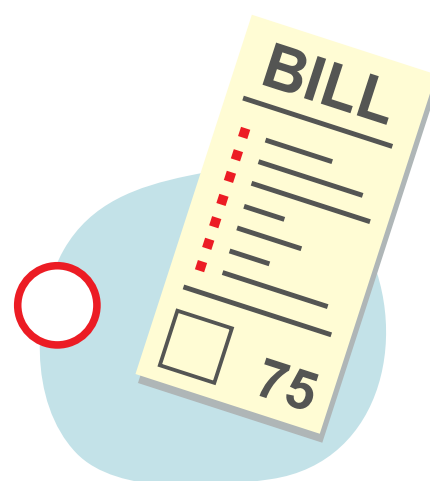

Members of Congress discuss the law and vote for it.

Coming up with an idea and writing a bill.

The president approves the bill and it becomes a law.

The bill is introduced to Congress and assigned a number.
