

## Advent Calendar

### Three Little Pigs

The Advent Calendar is a fun way to count down the days until Christmas. The calendar we are offering you runs from December 1st until December 25th. This way we make sure children all over the globe could use it, no matter when they celebrate Christmas, on December 24<sup>th</sup> or on December 25<sup>th</sup>. The first page of the calendar has numbered items to be cut out in order to see the surprises hidden on the second page of the calendar.

#### Instructions:

1. Use a color printer to print out the colorful pages of the Advent Calendar.
2. Staple or glue them together **in the corners only!** The page with numbered items should be on top.
3. On December 1<sup>st</sup> find the item with number 1 on it. Follow the dotted line to cut it out and to reveal the hidden surprise.
4. On December 2<sup>nd</sup> find the item with number 2 and continue as described in point 3 of the instructions.
5. Continue cutting out one object per day until December 25<sup>th</sup>.

**Note:** DO NOT cut out completely the windows with numbers 14 and 16, and the door with number 25. Be careful to follow the dotted line and make sure you don't cut one side of these objects. If you leave the windows and the door attached by one side to the paper, your kids will be able to open and close them.

With warmest wishes for the holiday season,
