

Choose: Picture or Words?

Read the text and look at the picture in the middle of the page. Then read the facts on the top and bottom and draw a line to the place where you learned each fact.

1.

Flamingos eat small shrimp.

I learned this from

Flamingos are birds that people love to watch at the zoo.

They have long curved beaks that help them eat. They eat small sea animals called shrimp.

Flamingos dip their beaks into the water upside down to catch the shrimp.

2.

Flamingos are bright pink and like to stand on one leg.

I learned this from
