

# Picture or Words?

Read the text and look at the picture in the middle of the page. Then read the facts on the top and bottom and draw a line to the place where you learned each fact.

1.

Autumn is the season that comes after summer in North America.

I learned this from

Autumn is the season that comes after summer in North America.

It is also called fall.

Many people go apple picking and carve pumpkins in the fall.

2.

Red, orange, and yellow leaves fall from the trees during autumn.

I learned this from
