

# Going to the Dentist

Read the text below.  
Then check the boxes  
to answer the questions.

Going to the dentist is important. Ben is on his way to the dentist. He is very nervous because it is his first time. His mom tells him it is not going to hurt.

Ben meets the dentist. She is so friendly! The dentist gives Ben a toy car and lets him pick a movie to watch. While Ben watches the movie, the dentist cleans Ben's teeth with special tools. When the dentist is done, Ben gets a new toothbrush. Ben is really happy with how his visit went!
