

African Animal Safari

Trace on the dotted line to make a bar for each animal that shows how many of each there are. Then answer the questions.

1. How many warthogs are there?

<input type="text"/>	6	<input type="text"/>	2	<input type="text"/>	3	<input type="text"/>	4
----------------------	---	----------------------	---	----------------------	---	----------------------	---

2. How many Zebras and Elephants are there altogether?

<input type="text"/>	8	<input type="text"/>	2	<input type="text"/>	5	<input type="text"/>	7
----------------------	---	----------------------	---	----------------------	---	----------------------	---

3. How many more Lions are there than Warthogs?

<input type="text"/>	6	<input type="text"/>	2	<input type="text"/>	3	<input type="text"/>	1
----------------------	---	----------------------	---	----------------------	---	----------------------	---

4. How many more Elephants and Zebras are there than Lions?

<input type="text"/>	5	<input type="text"/>	1	<input type="text"/>	3	<input type="text"/>	4
----------------------	---	----------------------	---	----------------------	---	----------------------	---

Worksheet Answer Key.

Scan the QR code to get the answer key for this worksheet. In it, you'll also find an explanation of how to solve the worksheet and additional learning resources.

Complete this worksheet online.

Scan the QR code below to open this interactive worksheet!

Let your child learn and play! The worksheet comes with a professional voice over of the task, and will be automatically checked and scored upon completion. Your child will also get suggestions of similar activities.

You can open this online worksheet in any browser and on any device. NO registration or app installation is needed to start learning. Just scan the QR code and there you are!
