

# African Animal Safari

Trace on the dotted line to make a bar for each animal that shows how many of each there are. Then answer the questions.

1. How many warthogs are there?

<input type="text"/>	6	<input type="text"/>	2	<input type="text"/>	3	<input type="text"/>	4
----------------------	---	----------------------	---	----------------------	---	----------------------	---

2. How many Zebras and Elephants are there altogether?

<input type="text"/>	8	<input type="text"/>	2	<input type="text"/>	5	<input type="text"/>	7
----------------------	---	----------------------	---	----------------------	---	----------------------	---

3. How many more Lions are there than Warthogs?

<input type="text"/>	6	<input type="text"/>	2	<input type="text"/>	3	<input type="text"/>	1
----------------------	---	----------------------	---	----------------------	---	----------------------	---

4. How many more Elephants and Zebras are there than Lions?

<input type="text"/>	5	<input type="text"/>	1	<input type="text"/>	3	<input type="text"/>	4
----------------------	---	----------------------	---	----------------------	---	----------------------	---
