The image shows a vibrant children's learning application interface. At the top, a yellow banner with a black outline contains the text "For Students and Parents". Below the banner is a large, friendly purple elephant with a yellow patch on its ear. To the right of the elephant, a white speech bubble with a purple border contains the text "Check out this free Trial Lesson with fun worksheets for kids!". To the right of the speech bubble is a large QR code. The main content area features a purple-bordered box for "Lesson 2: Counting to 120 starting at any number". Inside this box are four items: a "Video" button with a play icon, a "Worksheet" button with a pencil icon, a "Quiz" button with a star icon, and a "Game" button with a checkmark icon. Each item has a small yellow star icon to its right. To the left of the purple box is a "Ben Franklin's Inventations: Count to 100" section with a video thumbnail showing a person, a worksheet thumbnail with a 100 chart, and a quiz thumbnail with a 100 chart. The bottom of the screen features a purple footer bar with the text "ABCmouse.com" and a magnifying glass icon.

The image shows a laptop screen displaying a digital learning platform. The platform has a yellow header with the text "For Schools and Teachers". Below the header, a large yellow button with a "i" icon says "Great! Now your students can use the code below to join the class". To the right of this button is a QR code. The main interface features a cartoon teacher character on the left holding a book and a pencil. In the center, there is a green box with the text "Classroom ID: 7008" and "Join Class". Below this is a "COPY ACCESS LINK" button. The bottom of the screen shows a grid of educational content: "Counting 100-120" (Video), "Math Stories" (Worksheet), "Math Stories" (Worksheet), "Addition" (Video), and a purple button with a plus sign. The overall theme is educational and designed for classroom use.
