# MELTING ICE CUBES

Read the word problem and check the matching picture. Then, circle the correct equation.

Izzy had **60** ice cubes for her lemonade stand. In the first hour, **15** of the ice cubes melted. Then, in the second hour, **10** more melted away. How many ice cubes does she have left to use?

Equations:

60-15-10=35   55-12-8=35
