

# Making a Correct Number Line: Balcony Garden

When you draw a line plot you can't skip any numbers! No matter what!

## EXAMPLE

Sophia made a line plot to show the heights of plants on her balcony. Check the correct plot.

Our balcony garden  
16, 21, 18, 19, 16, 19,  
21, 19, 16, 18, 21, 19
