Interactive games, educational videos, online quizzes and our full worksheet collection – check it all out now!

The image shows a vibrant, cartoon-style interface for a children's learning app. At the top, a yellow banner with a black outline contains the text "For Students and Parents" in a large, bold, black font. Below the banner is a purple elephant with a yellow patch on its ear. To the right of the elephant, a white speech bubble contains the text "Check out this free Trial Lesson with fun worksheets for kids!" in a black font. In the bottom right corner, there is a QR code. The main content area features a large, colorful title "Counting to 120 starting at any number" in a bold, black font. Below the title are four interactive cards: "Video" (with a video camera icon), "Worksheet" (with a pencil icon), "Quiz" (with a star icon), and "Game" (with a game controller icon). Each card has a small image of a cartoon animal (a bear, a monkey, a rabbit, and a squirrel respectively) next to it. The background of the app interface is light blue with a white border, and the overall design is playful and child-friendly.

A screenshot of a classroom management software interface. At the top, a yellow banner reads 'For Schools and Teachers'. Below it, a laptop screen shows a teacher holding a pencil, with the text 'Great! Now your students can use the code below to join the class'. A green box displays the classroom code '7008' and a 'COPY ACCESS LINK' button. Below this, a list of activities is shown, including 'Counting 100-120' (Video), 'Addition Stories 1' (Worksheet), and 'Worksheet' (Video). At the bottom, a row of activity cards is visible. To the right of the laptop, a white box contains a QR code.
