Area Formula

Area is the measurement of square units inside a shape.

Area = length x width

Follow the clues and find the area of the shapes below.
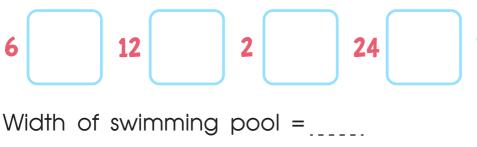

Length of baseball field = _ _ _ _ _ _

5   15   2   10

Width of baseball field = _ _ _ _ _ _

10   1   5   15

Area of baseball field = _ _ _ _ _ _

25   15   10   35

Length of swimming pool = _ _ _ _ _ _

6   12   2   24

Width of swimming pool = _ _ _ _ _

4   1   6   10

Area of swimming pool = _ _ _ _ _

24   10   12   36
