1. Read the story.

Tommy walked home slowly. He got back his math test at school today. Tommy walked into his kitchen and put down his bookbag. Then he took out his math test. He looked at the paper for a minute. He sighed and started walking toward the living room. "Hello, Tommy!" his dad called from the living room. "How was school today?" His dad saw his face. "Oh, Tommy, what is the matter?" he asked.
