

CAPTIONS AND IMAGES

Photographs and **captions** help the reader build understanding about the text they are reading. A caption tells the reader what the picture is.

Look at each picture and check off the correct caption to match the image.

The coral reef is a delicate part of the marine ecosystem.

☐

Fishing takes time and patience.

☐

Having an aquarium is a big commitment.

☐

The clown fish is able to come in contact with the poisonous sea anemone.
