

COMPARISONS

1. Read both paragraphs.

Many of the animals in our oceans are in great danger. Animals like the great white shark are endangered. That means that there are very few of them left. White sharks are often hunted for their fins. They also can get caught in fishing nets. Humans need to protect these animals, not harm them.

Green sea turtles are also endangered. These marine animals' main food is jelly fish. The sea is full of litter, much of it is plastic. Sea turtles will often mistake the plastic bags floating in the ocean for food. When they eat the plastic they can choke. Another threat to the sea turtles is fishing nets. Sea turtles get caught in the nets and can't get out.

2. Check off the details that can be found in both paragraphs.

Sea turtles and great white sharks are endangered.

☐

The ocean is full of litter.

☐

Sea turtles and great white sharks are dangerous.

☐

Sea turtles and great white sharks get caught in fishing nets.

☐

Worksheet Answer Key.

Scan the QR code to get the answer key for this worksheet. In it, you'll also find an explanation of how to solve the worksheet and additional learning resources.

Complete this worksheet online.

Scan the QR code below to open this interactive worksheet!

Let your child learn and play! The worksheet comes with a professional voice over of the task, and will be automatically checked and scored upon completion. Your child will also get suggestions of similar activities.

You can open this online worksheet in any browser and on any device. NO registration or app installation is needed to start learning. Just scan the QR code and there you are!
