

# Goods and Services

## 1. Read the text.

A

An economy is the way that money is made and spent. In an economy there are

B

businesses that supply a good or a service to the public. These businesses can come in

C

many forms. If a business produces a service it does something that the public needs. A hair

D

salon is a business that provides a service.

E

People pay the business and in exchange for their money the business does the service of

F

cutting their hair. On the other hand, a bakery is a business that provides a good to the

G

public. People pay the bakery in return for

their baked goods. An economy needs people to supply both goods and services.

## 2. Look at the main idea. Check off the lines where you find key details that support the main idea.

**Main idea:** In an economy there are businesses that supply a good or a service to the public.
