

TEXT FEATURES

Readers use **text features** in order to help them better understand a text.

Look at the article, check off the correct name for each text feature.

CAPTION

TITLE

The Wampanoag Tribe

The Wampanoag people lived in southern Massachusetts and Rhode Island at the beginning of the 17th century. They came in contact with the first English colonists and helped them to survive their first winter. The Wampanoag taught the colonists to grow their own crops and allowed them to hunt on their land with very little resistance.
