

Color Wheel

Primary colors are **red**, **yellow** and **blue**.

They cannot be made from other colors. When we mix two primary colors we get a **secondary color**.

The **secondary color** is the color that is in-between the two primary colors on the wheel. Secondary colors are **orange**, **green** and **violet**.

Check all the primary colors.

					
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

What secondary colors do we get when we mix these pairs of colors? Check the correct answers.

 +  = ?		<input type="checkbox"/>		<input type="checkbox"/>		<input type="checkbox"/>
--	---	--------------------------	---	--------------------------	---	--------------------------

 +  = ?		<input type="checkbox"/>		<input type="checkbox"/>		<input type="checkbox"/>
--	---	--------------------------	---	--------------------------	---	--------------------------

 +  = ?		<input type="checkbox"/>		<input type="checkbox"/>		<input type="checkbox"/>
--	---	--------------------------	---	--------------------------	---	--------------------------

Worksheet Answer Key.

Scan the QR code to get the answer key for this worksheet. In it, you'll also find an explanation of how to solve the worksheet and additional learning resources.

Complete this worksheet online.

Scan the QR code below to open this interactive worksheet!

Let your child learn and play! The worksheet comes with a professional voice over of the task, and will be automatically checked and scored upon completion. Your child will also get suggestions of similar activities.

You can open this online worksheet in any browser and on any device. NO registration or app installation is needed to start learning. Just scan the QR code and there you are!
