

World Explorers

There are many great explorers in world history. They traveled all over the world looking for new discoveries. Roald Amundsen was the first explorer to reach the South Pole. Christopher Columbus discovered America and its native people. Ferdinand Magellan was the first person to sail around the world. Magellan discovered a passage from the Atlantic Ocean to the Pacific Ocean.

Look at each explorer and draw a line to their discovery.

| | | |
|---|---|---|
|  China |  |  America |
|  South Pole |  |  Island |
|  Texas |  |  Magellan Strait |

Worksheet Answer Key.

Scan the QR code to get the answer key for this worksheet. In it, you'll also find an explanation of how to solve the worksheet and additional learning resources.

Complete this worksheet online.

Scan the QR code below to open this interactive worksheet!

Let your child learn and play! The worksheet comes with a professional voice over of the task, and will be automatically checked and scored upon completion. Your child will also get suggestions of similar activities.

You can open this online worksheet in any browser and on any device. NO registration or app installation is needed to start learning. Just scan the QR code and there you are!
