

Pirate Punctuation:

Question and Quotation Marks

The question mark goes **inside** the quotation marks if the quotation is a question.

For example: The pirate asked: "What did you see?"

The question mark goes **outside** if the whole sentence is a question, but the quotation is not.

For example: Did you say, "This is a pirate ship"?

In each pair of sentences, check the one in which the question mark is used correctly.

"Where is my hat?" asked the pirate.

"Where is my hat"? asked the pirate.

Who said, "I have a pirate telescope"?

Who said, "I have a pirate telescope"?

"Do you have the treasure map?"
said the captain.

"Do you have the treasure map"?
said the captain.
