

Police Subtraction

Look at the subtraction problems. Check the box next to the number sentence that matches.

8 police officers were on the street.
3 police officers were called away.
How many police officers are left?

$8 - 3 = 5$

$7 - 4 = 3$

$8 - 4 = 4$

10 police cars were at the police station.
6 cars drove away. How many cars are still at the police station?

$10 - 3 = 7$

$9 - 4 = 5$

$10 - 6 = 4$
