

Rainy Day 17

Draw a line to all the ways to make 17.

The central illustration is a red and yellow polka-dot umbrella with a yellow circular handle containing the number 17. Dashed blue arrows point from the handle to six clouds, each containing an addition problem and a visual representation of the numbers using raindrops.

- Top-left cloud: $10+7$. Visual: 10 raindrops + 7 raindrops.
- Top-middle cloud: $9+4$. Visual: 9 raindrops + 4 raindrops.
- Top-right cloud: $9+8$. Visual: 9 raindrops + 8 raindrops.
- Bottom-left cloud: $13+4$. Visual: 13 raindrops + 4 raindrops.
- Bottom-middle cloud: $6+5$. Visual: 6 raindrops + 5 raindrops.
- Bottom-right cloud: $7+7$. Visual: 7 raindrops + 7 raindrops.
