

3D Shape Maze

Help Mathew hit the pins by drawing a line through all of the 3D shapes. Trace on the dotted lines.

start

The maze consists of a grid of 3D shapes connected by dotted lines. The path starts at a purple cone (top-left) and ends at a red ball (bottom-right). The shapes in the grid are as follows:

Row	Column 1	Column 2	Column 3	Column 4
1	Purple Cone	Green Square	Blue Triangle	Red Circle
2	Green Cylinder	Cyan Cube	Pink Circle	Blue Sphere
3	Orange Triangle	Blue Cylinder	Red Rectangle	Purple Triangle
4	Pink Square	Yellow Sphere	Orange Cube	Green Square
5	Cyan Cube	Pink Triangle	Blue Cone	Red Circle
6	Green Cone	Yellow Square	Red Sphere	Four Bowling Pins
