

Man-made or Natural?

Is it natural or man-made?

Trace on a dotted line from each picture to the correct answer.

Worksheet for identifying natural or man-made objects. The page features two vertical columns of text: "natural" on the left and "man-made" on the right. In the center, there are five illustrations of objects, each with a horizontal dotted line and arrows pointing to the left and right columns for tracing.

natural

man-made

Illustrations and their corresponding categories:

- A clear glass filled with water. (Natural)
- A green plant with large leaves in a brown pot. (Natural)
- A yellow goldfish swimming in a blue bowl. (Man-made)
- A purple plate with concentric circles. (Man-made)
- An open book with a red cover and wavy lines on the pages. (Man-made)
- A grey, jagged rock. (Natural)
