

# Walk in the Woods: Finding the Connection

Listen to the story about a **brother** and **sister's** walk through the woods. What do their walks have in common? Check the things that both brother and sister see in the woods.

A brother took a walk in the woods. He saw so many things. The brother saw **trees** . The brother saw a **squirrel** . The brother saw a **hare** . The brother went home.

The next day his sister took a walk through the woods. The sister saw **trees** . The sister saw a **squirrel** . The sister saw a **deer** . The sister went home.
